## **SUMMER GROUP PROGRAMS**

---

**ADHD CLUB:** The **ADHD Club** is for boys and girls between the ages of 10 and 14 years diagnosed with ADHD, or who have difficulties with executive functioning. With parental and student involvement, this program will help to improve organizational and study skills, build resilience and improve problem solving in relation to school difficulties. Facilitated by Rachel Pasquerilla, EdD, BCBA and Lindsey Tornow, EdS, BCBA, ADHD Club is a 7 week program held on Tuesday evenings at 6:15 p.m. beginning June 16<sup>th</sup>

**PEERS WITH A PURPOSE:** Developed and facilitated by Rachel Pasquerilla, EdD, BCBA, Peers with a Purpose is designed for 13 – 18 year olds with moderate cognitive and/or social behavioral impairments. The group focuses on specific goals and behavioral needs. Participation in a community experience such as activities with the elderly, volunteering at an animal shelter, planting projects, with the opportunity to work on personal goals with support of a typical peer. This is a seven week program held on Wednesdays at 5:00 p.m. beginning June 17<sup>th</sup>.

**SUMMER EATS:** Back this summer! Lauren Baird, Occupational Therapist and Lauren Hagenbuch, Speech Language Pathologist team up to offer **SUMMER EATS** a themed fun program for children ages 5-8 diagnosed with ASD, anxiety, ADHD, language deficits and/or social and pragmatic deficits who will benefit from increasing their social, language, and fine motor skills. Each session will focus on developing language skills necessary for successful communication and academics and will end with a group cooking activity to promote social skills, safety, independence, and life skills. The program is 90 minutes a week for 6 weeks beginning June 17<sup>th</sup>.

**SOCIAL SKILLS GROUPS:** Psychology based groups for children, teens, and young adults diagnosed with ADHD, Asperger's Disorder and High Functioning Autism. The social skills groups are designed to improve friendship behaviors and social skills, promote self-esteem, improve overall coping skills, and more through a Teach/Practice format. Developed by Dr. Michelle DePolo, Psy.D., BCBA-D, groups are one hour a week for 7 weeks.

- ✿ **SUCCESS Club** (for children 9-11) is held on Tuesdays at 5:00 p.m. and begins June 16<sup>th</sup>.

- ✿ **Teen and Young Adult** groups are held on Thursdays : Teens at 5:00 p.m. and Young Adults at 6:15. Groups begin June 18<sup>th</sup>.
